

Le Bonheur au Quotidien

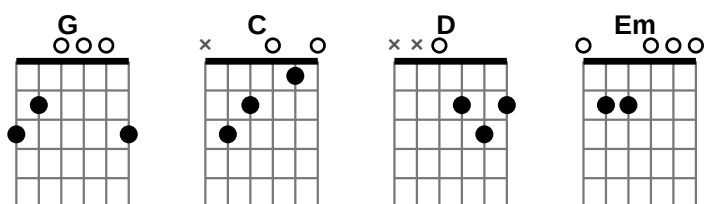

Key G Time 4/4 D tin whistle

Numbers = how many holes to hold down from the top (mouthpiece end): 3 = holes 1-3. 0/N = top hole open, hold the next N (0/2 = holes 2-3). 0 = all open. ' = blow harder (high octave). ½ = also half-cover the next hole. Bars under the notes show how long each lasts (in beats).

Chord symbols: G, C, G, G, C, D, G, C, G, Em, C, D, C, Em, C, D, C, G, D, G.

Guitar chords

Whistle tab (text)

Le Bonheur au Quotidien - D tin whistle tab
Key: G Time: 4/4 1 beat = 1/4 note

How to read: the number is how many holes to hold down, counting from the top (mouthpiece end).

3 = hold holes 1, 2, 3 0/N = leave the top hole open and hold the next N (0/2 = holes 2-3)
 0 = all holes open ' = blow harder (high octave) ½ = also half-cover the next hole
 (2) = length in beats, no brackets = 1 beat R = rest ~ = tied, keep holding into the next note
 |: :| = repeat [1 [2 = first/second ending Guitar chords are written above the notes.
